### ASE College Instructional:

Amateur Sports Events is proud to partner with the Amateur Baseball Report to bring you the most dynamic College Instructional & Exposure event in Tennessee. ASE's first Tennessee event will feature new College Coaches looking for the best talent in the Midwest. The event will be led by the college coaches in attendance. Learn the proper fundamentals of the game from some of College Baseball's BEST!

### College Coaches Contacted:

- Maryville College\*
- Roanne State\*
- Bryan College\*
- UNC-Asheville
- TN Tech
- Eastern TN State University
- Elon University
- Carson Newman College
- Tusculum College

\*Committed Colleges

\*A Representative from USSSA High School Program will be in attendance to scout for the USSSA All-American Games

### ABR Five-Tool Player Evaluation:

After the completion of ASE's college instructional event, Amateur Baseball Report (ABR) will be hosting a Five-Tool Player Evaluation. Position Players will be tested at their respective positions based on speed, arm strength, fielding, power, & overall hitting abilities.

Pitchers will be tested on their mechanics, repertoire of pitches, and overall pitching ability. In addition, pitching velocities will be recorded.

After the event, each participant will receive a player profile page on the ABR website. The profile page will contain the results of the Five-Tool Player Evaluation.

All information collected will be shared with the college coaches and professional scouts that are in attendance, as well as all coaches and scouts that have access to all ABR Player Profile Pages.
